Are you struggling to build relationships with today's diverse Gen Y students? Do you have significant-subgroup students who could perform better on the CST? From understanding today's students to designing specific strategies that work, this institute will provide a pyramid of interventions for your immediate use – in a setting that is perfect for collaborating with your team to plan implementations for the 2011-12 school year.

## Day 1: Transforming School Culture

Sunday, July 24, 2011 / 9:00 am – 3:45 pm

- Keynote by Dr. Martinrex Kedziora, Hemet Unified School District – *Answers in Education: We Still Haven't Found What We're Looking For*
- 6 breakouts led by school teams: effective programs at stellar elementary, middle and high schools
- 8 breakouts led by educators and experts: school academic and

climate strategies (PLCs, technology, advisories, more)

- Networking and teambuilding reception at 4:30 pm

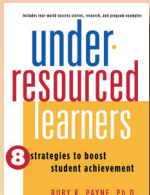

## Day 2: Boosting Achievement

Monday, July 25, 2011 / 8:30 am - 2:45 pm

- 3-Hour morning workshop with Dr. Ruby Payne – *Under-Resourced Learners: 8 Strategies to Boost Student Achievement* – all participants receive a copy of her new book, a \$25 value!

• Workshop strategies: following each student's performance, addressing AYP (Adequate Yearly Progress), cultivating relational learning, quickly assessing students, creating interventions, content interventions related to reading, vocabulary, calibrating student assignments

- 12 afternoon breakouts led by educators and experts: classroom management, technology, math, content area literacy, Response to Intervention, differentiated instruction and more
